

This template is for a First Day Survey in your course. Sample questions are provided, but feel free to modify them to meet your needs or create your own.

FIRST DAY SURVEY

[INSERT COURSE TITLE]

[INSERT INSTRUCTOR'S NAME]

[INSERT COURSE CALL NUMBER]

[INSERT SEMESTER AND YEAR]

First Name:

Last Name:

Preferred First Name:

Instructions: *Please answer the questions below. Your individual responses are confidential and only aggregated results will be shared with the class.*

HOW STUDENTS LEARN

What do you do to be successful as a learner?

What are your strategies when you encounter obstacles as a learner?

As your instructor, what can I do to help you learn?

What can other students do to help you learn?

What else do you want me to know about you as a learner?

BACKGROUND & CAMPUS INVOLVEMENT

Where did you go to high school? Please include the name of the city or town.

What's your class standing (e.g., freshman, sophomore, etc.)?

Have you attended a higher education institution other than Wayne State? If yes, which one?

Do you participate in a student organization at WSU? Which ones?

Are you planning on going to FestiFall?

What's one question you would like to know about other students in the class?

PRIOR KNOWLEDGE OF COURSE CONTENT

What's one example of prior knowledge you bring to this course?

What's a prior experience that you think will help you in this course?

What are you most hoping to learn?

Why are you taking this course?
