

## Instructor Class Reflection

**Date:**

**TOPIC Discussed: (What did we talk about today?)**

**What are the MAIN POINTS?:**

**Below are some general questions to get started. Pick and choose which questions you would like to answer each time you reflect on your classroom experience.**

### **Content**

- Did the students understand what we talked about today?
- Was what we did too easy or too difficult?
- What problems did the students have (if any)?
- Was there a clear outcome for the students?
- Did the materials prepare students?

### **Activities**

- What activity did we use?
- Were my instructions clear?
- Did the students seem engaged? Which parts did they seem to enjoy most? And least?
- How were there conversations with each other?
- Were students on task? If not, when was that and why did it happen?
- Did I provide opportunities for all the students to participate?

### **Assessments**

- How do I know if students obtained the knowledge or skills that I intended?
- If I taught the lesson again, what would I do differently?
